But if i'm really being honest, i never thought it would have a happy ending. I don't know what is a happy ending is? Life isn't about ending is it? It's a series of moments. Life is goes on. The Office Tim Special episode2 Have a good life! A philosopher once wrote: you need three things to have a good life. one a meaningful relationship, two, a decent job of work, three to make a difference The Office season2 episode6 Dolly Parton's philosophy- Life is a series of peak and troughs and you don't know whether you're in a trough until you're climbing out, or on a peak until you're coming down. you never know what's around the corner But it's all good. if you want the rainbow, you've got to put up with the rain→Do you know which "philosopher" said that?
